School Year 2026 - 2027

Both sides of this form must be completed by all members, guests, and visitors to participate in CHET-SE PE.

I, the undersigned parent/guardian, do hereby grant permission for the child(ren) listed on the back of this page to participate in CHET-SE activities. In order that my child/ward may receive the proper medical treatment in the event that he/she sustains injury or illness during any CHET-SE activity, I hereby authorize a supervising adult to obtain or provide medical treatment for my child/ward for such injury or illness during the CHET-SE activity, and I hereby hold CHET-SE, as well as its representatives, harmless in the exercise of this authority. I hereby release from any liability CHET-SE and all adult supervisors and class helpers in the event of any accident en route to or during activities. I further acknowledge and understand that I will be responsible for any medical bills that may be incurred on behalf of my child/ward for physical illness or injury that he/she may sustain during any CHET-SE activity.

I also understand that the PE Program includes activities such as running, jumping, stretching, and other physical exertion to benefit the students. Understanding that there is always a possibility that my child/ward may sustain physical illness or injury, I acknowledge and understand that my child/ward is assuming the risk of injury or illness by his/her participation, and I further release CHET-SE and its representatives from any claims for personal illness or injury that my child/ward may sustain during PE activities. I am aware that if my child/ward has a medical condition that prevents or prohibits him/her from participation in any PE activity (i.e. running, jumping, stretching), I must notify the PE Coach and PE Director on the day of participation.

☐ I am having another adult be responsible for my child while at PE for the duration of the year.

Name _____, Relationship _____, Cell _____

Please read and check mark or initial your understanding of the statements in the boxes below.**PE Registration Agreements:**

☐ I understand that PE is NOT a drop off event and I agree to remain on the premises to be available in the event that I am needed to care for my child in ANY way. If I must leave the park, I will let the coach and PE Director know which adult remaining at the park has agreed to take responsibility for my child/ward in my absence as well as provide his/her contact number.

- ☐ If my child/ward needs advanced medical intervention (such as but not limited to an epi-pen or inhaler), I will remain close by to intervene should the need arise for my child/ward to have assistance.
- ☐ I understand that participation in CHET-SE PE (except as a ONE time Visitor considering joining CHET-SE) REQUIRES me to register with CHET-SE which is a separate on-line registration process, requiring a separate payment.
- ☐ I understand that PE classes begin promptly at 9:30 and CHECK-IN closes at 9:40. If my child (with payment ready) isn't checked in by 9:40 (a ten minute grace period), I will respectfully walk away. Children who try to slip in and play anyway will lose PE privileges for one month for the first offense and be required to leave PE for the duration of the year for a second offense.

For all CHET-SE PE Participants (Members and Visitors)

Note: If you want your child in a different level, you must get approval early in the year from the PE Director who will discuss it with the head coach of that level. They will make a final decision.
